Dear Mr. deGraffenreid:

25X1 On 5 May 1983, [] from our Office of Security, and
25X1 [] our Associate General Counsel for Administrative Law
Division, provided you with a copy of my memorandum to the Acting Director
of Central Intelligence, dated 7 April 1983, outlining the Agency's
existing policies and regulations with regard to the implementation of
National Security Decision Directive 84 (NSDD-84). That memorandum, a copy
of which is enclosed at Tab A, constituted my response to your April letter
in which you asked the CIA to submit to you implementing regulations on
NSDD-84. Attached to my memorandum were copies of the following
nondisclosure agreements and extracts of Agency regulations that
specifically address the major requirements of NSDD-84:

25X1

Also included in this package was a proposed Agency regulation that
discussed policies and procedures on damage assessments. For your
convenience, I am again providing copies of these documents at Tab B.
